CHARITY CRUISE

NOVEMBER 20 2011

Meet up at Tahuna Park, Victoria Rd, St Kilda from 9am to 10am. Please try to be there by 10:30am at the latest so that everyone is present for the drivers briefing at 10:50am.

Depart for cruise, rain or shine, at 11am, or no later than 11:10am.

Cruise makes its way through Kew, Corstophine, Green Island, Fairfield, Mosgiel, Three Mile Hill, Kaikorai Valley, and back to Tahuna Park for the show part of the day. Trophies will be given to best American, Australian, Japanese, European and British cars by a guest judge at 2:30pm, so stick around if you can!

WHAT IS THIS ABOUT?

The aim of the event is to raise as much money as possible for the Otago Community Hospice.

The money will be raised by charging each driver and passenger a minimum donation of \$5.00 (higher amounts are encouraged if you can afford it!!) to enter the initial park up and cruise. Members of the public will also make a gold coin donation to view the cars in the field at 1pm.

In 2010 we raised \$2,235.50 with just 155 cars (official count) on a rainy day, and with the event ending three hours early! The hospice is in deficit this year, so lets try raise even more in 2011!

WHAT CAN YOU DO TO HELP?

- Come along in your car, if it turns heads then its welcome pretty much!

- We need all the advertising we can get, so please spread the word (Facebook, car clubs, relatives/workmates etc) as this is how we'll get a big turnout and fundraising total. Word of mouth is a powerful tool and we can easily get a lot of cars if a lot of people know about it!

- To volunteer on the day or sponsor the event in some way please get a hold of us via the contact information at the bottom.

- If you can't make it on the day but still wish to donate, we have an official Westpac account (online banking only):

ACCOUNT NUMBER: 03-1725-0422192-000 - NAME OF ACCOUNT: Otago Hospice Charity Cruise

IS YOUR CAR ELIGIBLE?

All exotic cars (Ferrari, Aston Martin, Porsche, Lamborghini, Maserati, Lotus, TVR etc), muscle cars (FPV, HSV, Corvette, Charger, Mustang, Bel Air etc), classic cars (Mini, Rover, Triumph etc), hot rods, sports trucks/SUV's (Dodge Ram, Ford Territory Turbo, Ford F250 etc), Japanese sports cars (Skyline, Supra, R3X-7, EVO, NSX, S2000, GTO etc), Japanese classics (Prince Skyline, DX Corolla, AE86, R3X3 etc), vintage cars (Model T Ford, Daimler etc), race cars/track cars (if not road legal then tow them in the cruise on the trailer!), and all BMW, Mercedes, Jaguar etc models.

If your car has aftermarket modifications (bigger wheels, bodykit, fancy paintwork etc) you can bring it along too! This is also the perfect opportunity to get those prized treasures out of the garage, the ones that very seldom get seen by the public eye. There aren't many events that welcome all types of cars along!
