Guidelines for referral to the Otago Community Hospice

Otago Community Hospice provides specialist palliative care to people with a life limiting illness. Our multidisciplinary team works in partnership with the patient, family and community health providers.

You can refer anyone living or staying in Otago with

- Active, progressive disease no longer responsive to curative treatment with a prognosis likely less than twelve months.

And

- Complex symptoms (physical, social, emotional or spiritual) resistant to standard care in the community

OUR TEAM APPRECIATE SUFFICIENT SUPPORTING INFORMATION

What we need from you: *(either by fax or email)*

- ❑ Completed Referral form
- ❑ Documentation confirming diagnosis
- ❑ Current medication list, including dose and frequency
- ❑ Recent correspondence from hospital specialist
- ❑ Most recent radiology reports and blood test results
